

The **Association for the Preservation of Clear Lake** is a group of private citizens dedicated solely to the protection and enhancement of North Iowa's most valuable natural resource - Clear Lake. Through our many important partnerships, we continue to help improve water quality in Clear Lake, and educate lake enthusiasts on how to take part in its protection.

If you are already a member, we thank you for your support, and encourage you to renew now, or to share this membership form with a friend who may not be familiar with our important mission. For more information, see www.apcliowa.org.
